

*Our Mission is to:-*

*Provide a high quality service for parents and families of Middlesbrough and district whose children have Special Educational Needs.*

*Extend our children's knowledge, skills and understanding through a broad, balanced and relevant curriculum.*

*Develop a positive self image in each of our children.*

*We will:-*

*Work closely with families and children, supported by other professionals, encouraging partnerships that enable effective learning.*

*Be available for the children and their families within a caring and supportive atmosphere.*

*We are striving to:-*

*Provide children with teaching and support in an enriching and stimulating school environment.*

*Promote personal growth, acknowledging individual strengths and needs.*

*Enable our children to feel safe and secure in school.*

*Develop in our children caring attitudes towards others and the school environment.*

*Enable our children to acquire the necessary interests, attitudes, values and personal resources so that they may successfully take their place in a rapidly changing world.*

*We are committed to adopting strategies that:-*

*Promote equal opportunity and ensure that the school environment is free from gender and cultural bias.*

*Develop spiritual and moral values in our children.*

*Develop tolerance, respect and understanding of other races, religions and ways of life.*

*Recognise and value the whole staff contribution to the quality of the service we provide, underpinned by honest, open and clear management.*
